### MOTIVATION AND EXPECTATIONS

<p><i>What are your motivations for taking part in the EVS? How did you get to know the EVS programme?</i></p>    
<p><i>Please describe your motivation for this project in particular. What do you find interesting in the project? Why did you choose this project?</i></p>       
<p><i>What are your expectations? What do you hope to gain from it in terms of knowledge, skills, experience, ...?</i></p>

<i>How do you think you can contribute to the project and to your new hosting environment?</i>
<i>Which tasks of the project are you most interested in? Why? (please read the attached description)</i>
<i>Have you considered the possibility of developing a personal project within your EVS experience? Having read the description of the project, do you already have some ideas that you wish to suggest?</i>
<i>When and for how long are you available for your EVS project?</i>

## **EXPERIENCES**

<i>Please describe your intercultural experience. Have you ever taken part in activities or projects in an intercultural or international context? What are your experiences abroad? When, for how long and for which reasons did you go abroad?</i>
<i>Have you done any volunteering activities before? What kind of activities and when? Please describe.</i>
<i>You will share a small apartment with an EVS volunteer of another project. You will share the room as well as kitchen and bathroom. You will be responsible for organising your own food shopping and cooking. How do you feel about this? Have you had such experience before?</i>
<i>The project takes place in Varese, which is a small and quiet town. Is that very different from your home town? If so, do you think you can adapt to this kind of change? Please explain.</i>

--

**PERSONALITY and SKILLS**

*Please try to describe briefly your character taking into account your strengths as well as your weaknesses.*
